**EAST CAMBRIDGESHIRE DISTRICT COUNCIL  
SUPPLEMENTARY PLANNING DOCUMENT ON CLIMATE CHANGE**

**Adoption Notice**

Notice is hereby given in accordance with Regulations 11 and 14 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended) that East Cambridgeshire District Council has adopted a Climate Change Supplementary Planning Document (SPD) under the provision of Planning and Compulsory Planning Act 2004, with it coming into effect on 8 February 2021.

The Council recognises that it has a significant role to play in protecting and improving the environment for future generations. In declaring a Climate Emergency, the Council committed to producing an Environment Plan, which it subsequently did so (adopted June 2020). One action within that Plan was to prepare a Climate Change Supplementary Planning Document (SPD).

In addition to responding to the declaration, and the subsequent Environment Plan, this SPD builds upon the 'Environment and Climate Change' section of the Local Plan (April 2015) as well as responds to National Planning Policy and guidance.

A copy of the SPD along with this notice is available for public inspection, free of charge on the Council's website at; <http://www.eastcambs.gov.uk/local-development-framework/supplementary-planning-documents>.

Any person with sufficient interest in the decision to adopt the SPD may apply to the High Court for permission to apply for judicial review of the decision to adopt the SPD. Any such application must be made promptly and in any event not later than 3 months after the date on which the SPD was brought into effect.
