				<ul style="list-style-type: none"> <li>• On 10 April 2019, an email was received cancelling the meeting of the Shareholder Committee scheduled for 17 April 2019. When asked the reason for the cancellation, the response was 'lack of business'.</li> <li>• On 11 April 2019, Full Council disbanded the Shareholder Committee and distributed its responsibilities among two reorganised policy committees. The Business Plan of East Cambs Trading Company was not on the agenda for approval.</li> <li>• On 30 May, Full Council met for the first time under the new political administration. It did not consider or approve the Business Plan of East Cambs Trading Company.</li> <li>• The Finance &amp; Assets Committee met on 20 June 2019 and did not consider or recommend the Business Plan of East Cambs Trading Company.</li> </ul> <p>Given that this Council has therefore not approved the Business Plan of East Cambs Trading Company, on what governance basis is it continuing to operate?</p>

				<p><b>Response from Director Commercial:</b></p> <p>ECTC Board approved the 2019/20 Business Plan which was presented to the Council's Shareholder Committee on 11 February 2019. Various comments were made by the Shareholder Committee and as a result of this ECTC required time to consider the concerns raised and make the necessary changes to the business plan.</p> <p>There was insufficient time to reflect the concerns that had been raised by Shareholder Committee as the business plan needed to be approved by the ECTC Board prior to the Shareholder Committee reconsidering the item on 14 March 2019. For this reason the Shareholder Committee meeting was rearranged for 17 April 2019.</p> <p>At the point of cancelling the Shareholder Committee meeting ECTC was in the process of refining the business case for the development at Haddenham, this would enable Officers to reflect the most up to date financial position of the Haddenham site in the business plan.</p> <p>Following the decision of Council on 11 April 2019, the first opportunity for ECTC to present the 2019/20 business plan to the Shareholder Committee, which is now a</p>

				<p>function of Finance &amp; Assets Committee would have been 20 June 2019.</p> <p>It was not possible for ECTC to present a 2019/20 business plan to the 20 June 2019 meeting due to the decisions taken by Council on 30 May 2019, i.e. the motion to revisit the MOD scheme to deliver at least 50% affordable housing.</p> <p>With regards to the property element of ECTC, the business that has been transacted by ECTC since April 2019 concerns the completion of the two construction sites at Barton Road Ely and The Shade, Soham and progressing schemes in Haddenham, Ely (MOD Site) and Kennett. All of these plans have been referred to in previous years (approved by ECDC).</p> <p>Whilst it is recognised that it is a requirement of the Shareholder Agreement to produce an annual business plan for approval by the Council there is no statutory requirement to do so, therefore ECTC is not in breach of any statutory obligations.</p> <p>ECTC will present the 2019/20 business plan for approval by Council on 17 October 2019.</p>

				<p><b><u>East Cambs Trading Company (ECTC)</u></b></p> <p>Questions from Charlotte Cane Councillor for Bottisham Ward:</p> <p>Question 1</p> <p>Did ECDC supply written confirmation to the Directors of ECTC on or before 14 November 2018 that ECDC would continue to provide financial support to ECTC?</p> <ul style="list-style-type: none"> <li>• If so, when did Councillors approve the sending of this written confirmation?</li> <li>• If not, how did Councillor Bailey, as a Director of ECTC, feel able to say that the company was a Going Concern and state that ECDC would continue to provide financial support?</li> </ul> <p>Question 2</p> <p>Have ECDC or ECTC commissioned a full environmental survey of the MOD site?</p> <ul style="list-style-type: none"> <li>• If so, can all Councillors have a copy?</li> <li>• If not, what analysis has the council</li> </ul>

				<p>undertaken of potential contamination on the site and the level of risk involved to the council and to potential occupiers?"</p> <p><b>Response from Director Commercial:</b></p> <p>Question 1</p> <p>The financial support from ECDC to ECTC is in the form of the £5m loan which was approved by Council in January 2016. At November 14 2018 there was still £380k on the facility unused and the plans and projections at that stage showed that this would not be needed. As the terms of the loan are for repayment of the capital by the end of March 2021 and the Company had (has) not breached the agreement then the loan was not due for payment and so despite having a net deficit of £711k the Company could continue to trade.</p> <p>Question 2</p> <p>ECTC has commissioned an environmental survey. This document is a technical and lengthy document (approximately 400 pages). This can be provided on request.</p>
