

Further to your information request FOI/EIR 24/25-010, please find your question and our response below.

**Request:**

Please could you provide me with:

- Current polling district boundaries in your council area in Shapefile/GIS format. Your GIS mapping team (if you have one) should have this. If you do not hold boundaries in this format, please provide the maps in PDF or image format.
- Number of individuals registered to vote in each polling district in your council area by polling district reference. For example: AA - 1,000; AB - 500; AC - 600 etc.

**Response:**

- The shapefiles come under the remit of the Boundary Commission, so they should be contacted for information on the polling district boundary maps for our area.
