

Licensing Service Delivery Plan 2025 to 2026

Overview of the service

The Council's Licensing team is based within the Legal Services department. Licensing is a statutory function and its primary aim is the safety, well-being and protection of the general public. Duties include inspection and enforcement to ensure compliance with licensing conditions and legislative requirements, offering advice and guidance, as well as the administrative functions of processing and issuing licences.

The Licensing team cover a diverse range of licensed premises and activities. Their work includes:

- ensuring all applications, registrations and notices received are processed and issued within any required timescales.
- ensuring applicable fees are received for each type of application, registration, and notice, including any annual fees payable.
- ensuring allegations and complaints made to the Council in connection with licensable activities are investigated and appropriate action is taken.
- taking appropriate enforcement action in relation to illegal activity, breaches of licence conditions and statutory duties, including initiating formal prosecutions where appropriate.
- preparing and presenting reports for both Licensing Committee and Licensing Sub-Committee hearings.
- offering support and guidance to applicants, licensees, Members, responsible authorities, and members of the public.
- working in partnership with the responsible authorities and other relevant organisations to protect public safety.
- formulation of policies and procedures and reviewing conditions of licences
- defending appeals against decisions in court

Cost of service

Gross operational cost of the service of £326,523, with income achieved of £251,256, leaving a net cost for the service of £75,267.
