My Ref: 15/01175/OUM

Your ref

31st October 2019

Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990

OUTLINE PLANNING PERMISSION

Subject to conditions

The Council hereby **approves** the following:

Proposal: Redevelopment of land at Newmarket Road, Burwell to provide up to 350 dwellings (including affordable housing provision) with associated open space, sports provision, access and infrastructure
Location: Land At Newmarket Road Burwell
Applicant: Cambridgeshire County Council

This consent for outline planning permission is granted in accordance with the application reference **15/01175/OUM** registered 2nd October 2015.

Subject to the additional conditions set out below:

ADDITIONAL CONDITIONS

1 Development shall be carried out in accordance with the drawings and documents listed below

Plan Reference	Version No	Date Received
CAM.0985_26		2nd October 2015
CAM.0985_03-8	B Indicative	15th March 2017
PHASE 1 CONTAMINATED LAND		2nd October 2015
RSA RESPONSE		11th May 2017
PHASE 1 HABITAT SURVEY		2nd October 2015
TRANSPORT ASSESSMENT		2nd October 2015

FLOOD RISK ASSESSMENT	2nd October 2015
LANDSCAPE AND VISUAL STRATEGY	2nd October 2015
REPTILE SURVEY	2nd October 2015
BREEDING BIRD SURVEY	2nd October 2015
TRAVEL PLAN	2nd October 2015
ARCHAEOLOGICAL DESK BASED ASS	2nd October 2015
ARCHAEOLOGICAL EVALUATION REPORT	2nd October 2015
SERVICES APPRAISAL	2nd October 2015
PRE PLANNING ASSESSMENT REPORT	2nd October 2015
INFILTRATION RESULTS	2nd October 2015
HIGHWAYS POSITION STATEMENT	15th March 2017
J281/SK06	15th March 2017
DRAINAGE	13th November 2015
J281/SK/01	15th March 2017

F

- 1 Reason: To define the scope and extent of this permission.
- 2 Approval of the details of the appearance, landscaping, layout and scale (hereinafter called "the reserved matters") shall be obtained from the Local Planning Authority in writing before any development is commenced, and shall be carried out as approved. Application for approval of the reserved matters for phase 1 shall be made within 2 years and subsequent applications for the approval of the reserved matters within 5 years of the date of this permission.
- 2 Reason; The application is for outline permission only and gives insufficient details of the proposed development, and to comply with Section 92 of the Town and Country Planning Act 1990.
- 3 The development hereby permitted shall be commenced within 2 years of the date of the approval of the last of the reserved matters.
- 3 Reason: To comply with Section 92 of the Town and Country Planning Act 1990, as amended.
- 4 Unless otherwise required by other Planning Conditions attached to this planning permission, the development hereby permitted shall be carried out in accordance with the principles of the Development Framework Plan Drawing No. CAM.0985_03-8B.
- 4 Reason: To ensure the development is carried out in accordance with the approved Development Framework Plan and accords with policy ENV2 and BUR1 of the East Cambridgeshire Local Plan 2015.
- 5 As part of or prior to the determination of the first Reserved Matters application, a Site-wide Phasing Plan shall be submitted to and approved in writing by the Local Planning Authority. The Site-wide Phasing Plan shall provide the following information and state when each of the requirements will be delivered:
 - a) Broad details of the intended sequence of development across the entire area;
 - b) The extent and location of the likely development phases and parcels and broad details of the type of development envisaged in each phase (which may include infrastructure only phases);
 - c) Location of vehicular access off Newmarket Road, roads, footpaths and cycleways associated with each phase;
 - d) The location of self-build dwellings;
 - e) The location of dwellings that are to be built to be suitable or easily adaptable for occupation of the elderly or people with disabilities (Lifetime Homes standard or equivalent)
 - f) Structural landscaping and advanced structural landscaping associated with each phase;
 - g) The sports hub; and
 - h) Informal open spaces and recreational areas.

No development other than Enabling Works shall commence until such a time as a Site-wide Phasing Plan has been approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved Site-wide Phasing Plan, or any subsequent amended plan pursuant to this condition.

- 5 Reason: To ensure the development is delivered in a structured way in accordance with the principles of the Development Framework Plan Drawing No. CAM.0985_03-8B, in accordance with policies HOU1, ENV2, COM7 and BUR1 of the East Cambridgeshire Local Plan 2015.
- 6 Within any reserved matters application for landscaping details pursuant to this approval, the details required by condition 2 shall include detailed landscape designs, specifications and timescales for implementation for the associated reserved matters site. The details shall be accompanied by a design statement that demonstrates how the landscaping scheme accords with any emerging or approved details and shall include the following:

Soft Landscaping

- a) Full details of planting plans and written specifications, including cultivation proposals for maintenance and management associated with plant and grass establishment, details of the mix, size, distribution, density and levels of all trees/hedges/shrubs to be planted and the proposed time of planting. The planting plan shall use botanic names to avoid misinterpretation. The plans should include a full schedule of plants.
- b) 1:100 plans (or at a scale otherwise agreed) with cross-sections of mounding, ponds, ditches and swales and proposed treatment of the edges and perimeters of the site.
- c) The landscape treatment of roads through the development.
- d) A specification for the establishment of trees within hard landscaped areas including details of space standards (distances from buildings etc.) and tree pit details.
- e) The planting and establishment of structural landscaping to be provided in advance of all or specified parts of the site as appropriate.
- f) Details and specification of proposed earth modelling, mounding, re-grading and/or embankment areas or changes of level across the site to be carried out including soil quantities, topsoil storage to BS 3882 : 2007, haul routes, proposed levels and contours to be formed, sections through construction to show make-up, and timing of works.

Hard Landscaping

- a) The location and specification of structures, including furniture, refuse or other storage units, signs and lighting columns/brackets.
- b) Details of all hard surfacing materials (size, type and colour)

The works shall be carried out in accordance with the approved details.

- 6 Reason: To ensure, as the development is built out in phases, it satisfactorily assimilates into the area and enhances the development in accordance with Policies ENV1 and ENV2 of the East Cambridgeshire Local Plan (2015) using the unique rural setting to provide a special place and provide multi functional green infrastructure as an integral part of the design and layout.
- 7 The dwelling mix for any phase of the development containing dwellings shall provide a mix of dwelling types and sizes that contribute to the housing needs and demand of the locality at the time of submission of the Reserved Matters application for each phase. The Reserved Matters applications shall be accompanied by a statement explaining the approach taken to housing needs and demand. The dwellings shall be provided in accordance with the approved details.
- 7 Reason: To ensure that the development provides a satisfactory mix of dwelling types in accordance with policy HOU1 of the East Cambridgeshire Local Plan 2015.

- 8 Any reserved matters application for residential development which includes 'self-build' plots shall include a plan showing the distribution of the 'self-build' plots. There will be 17 'self-build' plots in total across the whole of the site and they shall be provided in accordance with the approved details.
- 8 Reason: To ensure that the development provides a satisfactory mix of dwelling types in accordance with policy HOU1 of the East Cambridgeshire Local Plan 2015.
- 9 Any reserved matters application for residential development shall include a plan showing the distribution of market and affordable housing and a schedule of dwelling size (by number of bedrooms). All affordable housing shall, in accordance with best practice, be designed to be tenure blind. The affordable houses shall be provided in accordance with the approved details.
- 9 Reason: To ensure the delivery of a balanced community, in accordance with policy HOU3 of the East Cambridgeshire Local Plan 2015.
- 10 No development shall commence in a particular phase within the area indicated until the applicant, or their agents or successors in title, has secured the implementation of a programme of archaeological work in accordance with a written scheme of investigation which has been submitted by the applicant and approved in writing by the local planning authority. This written scheme will include the following components, completion of which will trigger the phased discharging of the condition:
- i) Approval of a Written Scheme of Investigation to include the excavation and recording of archaeological remains and an appropriate outreach element;
 - ii) Fieldwork in accordance with the agreed Written Scheme of Investigation;
 - iii) Completion of a Post-Excavation Assessment Report (PXA) and approval of an approved Updated Project Design: to be submitted within six months of the completion of fieldwork, unless otherwise agreed in advance with the Planning Authority.
 - iv) Completion of the programme of analysis and submission of a publication report: to be completed within two years of the completion of fieldwork, unless otherwise agreed in advance with the Planning Authority;
 - v) Production of an archive report and the preparation of site archive for deposition at the Cambridgeshire Archive facility, or another appropriate store approved by the Planning Authority;
 - vi) Preparation of suitable materials for secure local display in an appropriate public space.
- Developers will wish to ensure that in drawing up a scheme, the timetable for the investigation is included within the details of the agreed scheme.
- 10 Reason: To ensure that any archaeological remains are suitably recorded in accordance with policy ENV14 of the East Cambridgeshire Local Plan 2015. The condition is pre-commencement as it would be unreasonable to require applicants to undertake this work prior to consent being granted.
- 11 Development in a particular phase shall not commence until an investigation and risk assessment of the nature and extent of any contamination on the site, whether or not it originates on the site, has been undertaken. The investigation and risk assessment must be undertaken by competent persons, and a written report of the findings must be submitted to and approved in writing by the Local Planning Authority. The report of the findings must include:
- (i) A survey of the extent, scale and nature of contamination;
 - (ii) An assessment of the potential risks to: human health, property (existing or proposed) including buildings, crops, livestock, pets, woodland and service lines and pipes; adjoining land; groundwaters and surface waters; ecological systems; archaeological sites and ancient monuments;
 - (iii) An appraisal of remedial options, and proposal of the preferred option(s).

This must be conducted in accordance with DEFRA and the Environment Agency's 'Model Procedures for the Management of Land Contamination, CLR 11'. Any remediation works proposed shall be carried out in accordance with the approved details and timeframe as agreed in writing by the Local Planning Authority.

- 11 Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policy ENV9 of the East Cambridgeshire Local Plan 2015. The condition is pre-commencement as it would be unreasonable to require applicants to undertake this work prior to consent being granted.
- 12 If, during the development of a phase, contamination is found at any time when carrying out the approved development that was not previously identified it must be reported to the Local Planning Authority within 48 hours. No further works shall take place until an investigation and risk assessment has been undertaken and submitted to and approved in writing by the Local Planning Authority. Where remediation is necessary, a remediation scheme must be submitted to and approved in writing by the Local Planning Authority. The necessary remediation works shall be undertaken, and following completion of measures identified in the approved remediation scheme a verification report must be prepared, and approved in writing by the Local Planning Authority.
- 12 Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policy ENV9 of the East Cambridgeshire Local Plan 2015.
- 13 No above ground construction shall take place in a particular phase until a scheme for the provision and location of fire hydrants to serve that phase to a standard recommended by the Cambridgeshire Fire and Rescue Service or alternative scheme has been submitted to and approved in writing by the Local Planning Authority. The hydrants or alternative scheme for that phase shall be installed and completed in accordance with the approved details prior to the occupation of any part of that phase.
- 13 Reason: To ensure the appropriate infrastructure is in place to ensure adequate public safety provision in accordance with policies GROWTH3 and ENV2 of the East Cambridgeshire Local Plan 2015.
- 14 Prior to or as part of the first reserved matters application for each phase, an energy and sustainability strategy for the development, including details of any on site renewable energy technology and energy efficiency measures, shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved strategy.
- 14 Reason: To ensure that the proposal meets with the requirements of sustainability as stated in Policy ENV4 of the East Cambridgeshire Local Plan 2015. This condition is pre-commencement as some of the measures may be below ground level.
- 15 To the extent that the reserved matters applications include external public spaces or roads which are not intended to be adopted by the highways authority (e.g. private roads, playgrounds and sports pitches), such applications will be accompanied by a Light Management Plan (LMP) for the relevant areas, for approval by the Local Planning Authority. The LMP shall set out details of proposed permanent external lighting including luminosity and hours of operation. It shall also set

out timescales for implementation. The relevant external lighting shall only be provided and operated in accordance with the approved LMP.

- 15 Reason: To protect reasonable residential amenity of future occupiers of the site and those adjacent, to accord with policies ENV1, ENV2 and ENV9 of the East Cambridgeshire Local Plan 2015.
- 16 Before any reserved matters application for development involving buildings, roads or other impermeable surfaces is approved, a detailed surface water drainage scheme for that reserved matters scheme, based on the agreed surface water drainage documents (CCE/J281FRA-02 dated July 2015) shall be submitted to and approved in writing by the local planning authority. The scheme shall subsequently be implemented in accordance with the approved details before the development is completed.

No development shall take place until details of the implementation, maintenance and management of the surface water drainage scheme have been submitted to and approved by the Local Planning Authority. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details.

- 16 Reason: To prevent the increased risk of flooding, to improve and protect water quality, in accordance with policies ENV2 and ENV8 of the East Cambridgeshire Local Plan 2015. The condition is pre-commencement as it would be unreasonable to require applicants to undertake this work prior to consent being granted.
- 17 No development shall commence until a foul water strategy, which includes a scheme for the improvement and/or extension of the existing sewerage system, has been submitted to and approved in writing by the Local Planning Authority. No dwellings shall be occupied until the works have been carried out in accordance with the approved details of the foul water strategy.
- 17 Reason: To prevent environmental and amenity problems arising from flooding, in accordance with policies ENV2 and ENV8 of the East Cambridgeshire Local Plan 2015. This condition is prior to commencement as these details need to be agreed before construction begins.
- 18 Prior to the commencement of development in a particular phase, a Detailed Waste Management and Minimisation Plan (DWMMP) shall be submitted to and approved in writing by the local planning authority. The DWMMP shall include details of:
- a) Construction waste infrastructure including a construction material recycling facility to be in place during all phases of construction
 - b) anticipated nature and volumes of waste and measures to ensure the maximisation of the reuse of waste
 - c) measures and protocols to ensure effective segregation of waste at source including waste sorting, storage, recovery and recycling facilities to ensure the maximisation of waste materials both for use within and outside the site.
 - d) any other steps to ensure the minimisation of waste during construction.
 - e) the location and timing of provision of facilities pursuant to criteria a/b/c/d.
 - f) proposed monitoring and timing of submission of monitoring reports.
 - g) the proposed timing of submission of a Waste Management Closure Report to demonstrate the effective implementation, management and monitoring of construction waste during the construction lifetime of the development.
 - h) a RECAP Waste Management Guide toolkit shall be completed, with supporting reference material
 - i) proposals for the management of municipal waste generated during the occupation phase of the development, to include the design and provision of permanent facilities e.g. internal and external

segregation and storage of recyclables, non-recyclables and compostable material; access to storage and collection points by users and waste collection vehicles. The Detailed Waste Management and Minimisation Plan shall be implemented in accordance with the agreed details, unless otherwise agreed in writing by the Local Planning Authority.

- 18 Reason: In the interests of maximising waste re-use and recycling opportunities; and to comply with policy CS28 of the Cambridgeshire and Peterborough Minerals and Waste Core Strategy (2011) and the Recycling in Cambridgeshire and Peterborough (RECAP) Waste Design Guide 2012; and to comply with the National Planning Policy for Waste October 2014; and Guidance for Local Planning Authorities on Implementing Planning Requirements of the European Union Waste Framework Directive (2008/98/EC), Department for Communities and Local Government, December 2012.
- 19 Prior to the commencement of development in a particular phase, a Construction Environmental Management Plan (CEMP), shall be submitted to an approved in writing by the local planning authority. The CEMP shall accord with and give effect to the waste management principles set out in the adopted Cambridgeshire and Peterborough Minerals and Waste Core Strategy (2011) and Waste Hierarchy. The CEMP shall include the consideration of the following aspects of construction:
- a) Site wide construction and phasing programme
 - b) Contractors' access arrangements for vehicles, plant and personnel including the location of construction traffic routes to, from and within the site, details of their signing, monitoring and enforcement measures, along with location of parking for contractors and construction workers
 - c) Construction hours
 - d) Delivery times for construction purposes
 - e) Soil Management Strategy including a method statement for the stripping of top soil for re-use; the raising of land levels (if required); and arrangements (including height and location of stockpiles) for temporary topsoil and subsoil storage to BS3883 (2009) and / or its subsequent amendments
 - f) Noise monitoring method including location, duration, frequency and reporting of results to the LPA in accordance with the provisions of BS 5228 (2009) and / or its subsequent amendments
 - g) Maximum noise mitigation levels for construction equipment, plant and vehicles
 - h) Vibration monitoring method including location, duration, frequency and reporting of results to the LPA in accordance with the provisions of BS 5228 (2009) and / or its subsequent amendments
 - i) Setting maximum vibration levels at sensitive receptors
 - j) Dust management and wheel washing measures to prevent the deposition of debris on the highway
 - k) Site lighting
 - l) Drainage control measures including the use of settling tanks, oil interceptors and bunds
 - m) Screening and hoarding details
 - n) Access and protection arrangements around the site for pedestrians, cyclists and other road users
 - o) Procedures for interference with public highways, (including public rights of way), permanent and temporary realignment, diversions and road closures.
 - p) External safety and information signing and notices
 - q) Liaison, consultation and publicity arrangements including dedicated points of contact
 - r) Consideration of sensitive receptors
 - s) Prior notice and agreement procedures for works outside agreed limits
 - t) Complaints procedures, including complaints response procedures Membership of the Considerate Contractors Scheme
 - u) Location of Contractors compound and method of moving materials, plant and equipment around the site
 - v) An Emergency Incident Plan for dealing with potential spillages and / or pollution incidents.

The Construction Environmental Management Plan shall be implemented in accordance with the agreed details unless otherwise agreed in writing by the Local Planning Authority.

- 19 Reason: To ensure the environmental impact of the construction of the development is adequately mitigated and in the interests of the amenity of nearby residents/occupiers in accordance with policies ENV2 and ENV9 of the East Cambridgeshire Local Plan; and to comply with the National Planning Policy for Waste October 2014; and Guidance for Local Planning Authorities on Implementing Planning Requirements of the European Union Waste Framework Directive (2008/98/EC), Department for Communities and Local Government, December 2012.
- 20 No development shall take place on the phase for the sports hub as detailed on the Development Framework Plan Drawing No. CAM.0985_03-8B until the following information has been submitted to and agreed in writing with the local planning authority:
- a) A detailed assessment of ground conditions of the land proposed for the new playing field land shall be undertaken (including drainage and topography) to identify constraints which could affect playing field quality; and
- b) Based on the results of this assessment to be carried out pursuant to (a) above of this condition, a detailed scheme to ensure that the playing fields will be provided to an acceptable quality (including appropriate drainage where necessary) shall be submitted to and approved in writing by the Local Planning Authority after consultation with Sport England.
- The works shall be carried out in accordance with the approved scheme within a timescale to be approved in writing by the Local Planning Authority.
- 20 Reason: To ensure that site surveys are undertaken for new playing fields and that any ground condition constraints can be and are mitigated to ensure provision of an adequate quality playing field and to accord with policy BUR1 of the East Cambridgeshire Local Plan 2015.
- 21 The playing fields shall be used for Outdoor Sport and for no other purpose (including without limitation any other purpose in Class D2 Use Classes Order 2005, (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).
- 21 Reason: To protect the playing field from loss and/or damage, to maintain the quality of and secure the safe use of sports pitches and to accord with policy BUR1 of the East Cambridgeshire Local Plan 2015.
- 22 Prior to the bringing into use of the new playing fields and sports hub a Management and Maintenance Scheme for the facility including management responsibilities, a maintenance schedule and a mechanism for review shall be submitted to and approved in writing by the Local Planning Authority. The measures set out in the approved scheme shall be complied with in full, with effect from commencement of use of the playing fields.
- 22 Reason: To ensure that new facilities are capable of being managed and maintained to deliver a facility which is fit for purpose, sustainable and to ensure sufficient benefit of the development to sport in accordance with National Planning Policy Framework (NPPF) paragraph 74 and to accord with policy BUR1 of the East Cambridgeshire Local Plan 2015.
- 23 The specific rated noise level emitted from plant or machinery (associated with the sports hub) located on the site shall not exceed the existing background noise level or 35dB, whichever is the higher. The noise levels shall be measured and/or calculated at the boundary of the nearest noise

sensitive property. The noise level shall be measured and/or calculated in accordance with BS4142:2014.

23 Reason: To safeguard the residential amenity of neighbouring occupiers, in accordance with policy ENV2 of the East Cambridgeshire Local Plan 2015.

24 Construction times and deliveries during the construction and demolition phases shall be limited to within the following hours:

07:30-18:00 each day Monday - Friday

07:30-13:00 Saturdays

None on Sundays, Bank Holidays or Public Holidays

For the avoidance of doubt this means during the construction phase no machinery or plant shall be operated outside of the above times.

24 Reason: To safeguard the residential amenity of neighbouring occupiers, in accordance with policy ENV2 of the East Cambridgeshire Local Plan 2015.

25 If piling activities are required within 40metres of the boundary of the application site, the method of piling shall be agreed in writing with the local planning authority prior to commencing the activity and the method agreed shall be adhered to.

25 Reason: To safeguard the residential amenity of neighbouring occupiers, in accordance with policy ENV2 of the East Cambridgeshire Local Plan 2015.

26 During construction any site based mobile plant (excluding HGV's) shall have broadband reversing alarms.

26 Reason: To safeguard the residential amenity of neighbouring occupiers, in accordance with policy ENV2 of the East Cambridgeshire Local Plan 2015.

27 The development shall be completed in accordance with the key recommendations and precautionary methods and additional recommendations of the Phase 1 Habitat Survey carried out by James Blake Associates, dated June 2015, the recommendations and enhancement recommendations of the Reptile Survey carried out by James Blake Associates, dated June 2015 and the recommendations of the Breeding Bird Survey carried out by James Blake Associates, dated June 2015.

27 Reason: To protect and enhance species in accordance with policies ENV1, ENV2 and ENV7 of the East Cambridgeshire Local Plan 2015.

28 The access(s), cycleway (s) and footway (s) are to be in accordance with the Designers Response (March 2017) and as per drawing number J281/SK/01 Rev F.

28 Reason: In the interests of highway safety and connectivity, in accordance with policies COM7, COM8 and BUR1 of the East Cambridgeshire Local Plan.

29 Prior to the occupation of the first dwelling the provision of a 3 metre wide shared footway/cycle from the site access, continuing west to Burwell Surgery shall be constructed and brought into use as shown in principle on drawing J281/SK/01 Rev F dated 31/08/2016, the details of which are to be submitted to and agreed in writing with the Local Planning Authority.

- 29 Reason: In the interests of highway safety and connectivity, in accordance with policies COM7, COM8 and BUR1 of the East Cambridgeshire Local Plan.
- 30 Prior to the occupation of the first dwelling the site access off Newmarket Road shall be provided with a right turn lane as shown in principle on drawing J281/SK/01 Rev F dated 31/08/2016, the details of which are to be submitted to and agreed in writing with the Local Planning Authority.
- 30 Reason: In the interests of highway safety and connectivity, in accordance with policies COM7, COM8 and BUR1 of the East Cambridgeshire Local Plan.
- 31 A 4 metre wide shared footway/cycleway shall be constructed and brought into use from the site, continuing west onto Ness Road, as shown in principle on drawing J281/SK/06 dated 28/04/2016, the details of which are to be submitted to and agreed in writing with the Local Planning Authority prior to the commencement of the second phase of development. As part of the submission, details of the timescale for delivery shall be submitted to and agreed in writing with the Local Planning Authority.
- 31 Reason: In the interests of highway safety and connectivity, in accordance with policies COM7, COM8 and BUR1 of the East Cambridgeshire Local Plan.
- 32 Prior to the occupation of the first dwelling a new bus stop shall be provided on the northern side of Newmarket Road, the stop shall include but not be limited to raised kerbs, flag, time table and painted bus cage, as shown in principle on drawing J281/SK/01 Rev F dated 31/08/2016, the details of which are to be submitted to and agreed in writing with the Local Planning Authority.
- 32 Reason: In the interests of sustainable travel to reduce reliance on private car transport in accordance with policies GROWTH3 and COM 7 of the East Cambridgeshire Local Plan 2015.
- 33 Prior to occupation of the first dwelling the two bus stops on the southern side of Newmarket Road directly opposite the site shall be upgraded, the upgrades shall include but not be limited to raised kerbs, flag, time table and painted bus cage, the details of which are to be submitted to and agreed in writing with the Local Planning Authority.
- 33 Reason: In the interests of sustainable travel to reduce reliance on private car transport in accordance with policies GROWTH3 and COM 7 of the East Cambridgeshire Local Plan 2015.
- 34 Prior to first occupation of the development, the Developer shall be responsible for the provision and implementation of a Residential Travel Plan to be agreed in writing with the Local Planning Authority. The Travel Plan shall include the provision of a Travel Plan Co-ordinator to give advice.
- 34 Reason: In the interests of sustainable travel to reduce reliance on private car transport in accordance with policies GROWTH3 and COM 7 of the East Cambridgeshire Local Plan 2015.
- 35 Prior to occupation of the first dwelling, the Developer shall be responsible for the provision and implementation of welcome packs for sustainable transport, approved by Cambridgeshire County Council, to include six one day travel vouchers for use with the relevant local public transport operator. The packs shall be provided to the first occupiers of each new residential unit on the development site.
- 35 Reason: In the interests of highway safety and connectivity, in accordance with policies COM7, COM8 and BUR1 of the East Cambridgeshire Local Plan.
- 36 Prior to first occupation of any dwelling the road(s), footways(s) and cycleway(s), within a phase of development, shall be constructed to at least binder course surfacing level from the dwelling to the

adjoining County road in accordance with the details approved in writing by the Local Planning Authority.

- 36 Reason: In the interests of highway safety and connectivity, in accordance with policies COM7, COM8 and BUR1 of the East Cambridgeshire Local Plan.
- 37 No development shall commence, with the exception of below ground works, until details of the proposed arrangements for future management and maintenance of the proposed streets within the development have been submitted to and approved in writing by the Local Planning Authority. (The streets shall thereafter be maintained in accordance with the approved management and maintenance details until such time as an Agreement has been entered into unto Section 38 of the Highways Act 1980 or a Private Management and Maintenance Company has been established).
- 37 Reason: To ensure satisfactory development of the site and to ensure estate roads are managed and maintained thereafter to a suitable and safe standard, in accordance with policy COM7 of the East Cambridgeshire Local Plan 2015.

INFORMATIVES RELATING TO THIS APPLICATION

- 1 A Road Safety Audit 2 will be required and the design must include all of the details agreed within the designs response (March 2017) RSA 1.
- 2 This development involves work to the public highway that will require the approval of the County Council as Highway Authority. It is an OFFENCE to carry out any works within the public highway, which includes a public right of way, without the permission of the Highway Authority. Please note that it is the applicant's responsibility to ensure that, in addition to planning permission, any necessary consents or approvals under the Highways Act 1980 and the New Roads and Street Works Act 1991 are also obtained from the County Council.
- 3 No part of any structure may overhang or encroach under or upon the public highway unless licensed by the Highway Authority and no gate / door / ground floor window shall open outwards over the public highway.
- 4 Public Utility apparatus may be affected by this proposal. Contact the appropriate utility service to reach agreement on any necessary alterations, the cost of which must be borne by the applicant.
- 5 East Cambridgeshire District Council is a Community Infrastructure Levy (CIL) Charging Authority. All applicants for full planning permission, including householder applications and reserved matters following an outline planning permission, and applicants for lawful development certificates are required to complete the CIL Additional information Requirement Form - https://www.planningportal.co.uk/info/200126/applications/70/community_infrastructure_levy/2

Exemptions from the Levy are available but must be applied for and agreed before development commences, otherwise the full amount will be payable.

For more information on CIL please visit our website
<http://www.eastcambs.gov.uk/planning/community-infrastructure-levy> or email
cil@eastcambs.gov.uk.

- 6 East Cambs will not enter private property to collect waste or recycling, therefore it would be the responsibility of the Owners/residents to take sacks/bins to the public highway boundary on the relevant collection day and this should be made clear to any prospective purchasers in advance, this is especially the case where bins would need to be moved over loose gravel/shingle driveways.

Under Section 46 of The Environmental Protection Act 1990, East Cambridgeshire District Council as a Waste Collection Authority is permitted to make a charge for the provision of waste collection receptacles, this power being re-enforced in the Local Government Acts of 1972, 2000, 2003, as well as the Localism Act of 2011.

Each new property requires two bins; this contribution is currently set at £43 per property.

Payment must be made in advance of bins being delivered; East Cambs District Council Account Number 43135897, Sort Code 52-41-19, reference should be the planning application number followed by (bins) i.e. 15/012345/FUL (bins) a separate e-mail should also be sent to waste@eastcambs.gov.uk detailing the payment amount and the planning reference number.

- 7 This development should be carried out in strict accordance with the provisions of the Environment Agency letter, which attaches to this consent.
- 8 The decision to approve this application has been taken, having regard to the policies and proposals in the Local Development Plan and all relevant material considerations, including the NPPF. The proposal is considered to be in accordance with the policies of the Development Plan, that are considered to be up to date, and represents 'sustainable' development in compliance with the provisions of the NPPF. The policies in themselves have been sufficiently explicit to guide the submitted application and acceptable plans and information has been submitted, therefore no amendments/improvements have been sought from the applicant.
- 9 This decision notice should be read in conjunction with the Section 106 Obligation dated 30th October 2019 and the development completed in strict accordance with the provisions contained therein, to the satisfaction of the Local Planning Authority.

PLEASE ALSO NOTE THAT THIS PERMISSION IS GRANTED SUBJECT TO DUE COMPLIANCE WITH THE BYE-LAWS AND GENERAL STATUTORY PROVISION IN FORCE IN THE DISTRICT AND DOES **NOT** CONSTITUTE APPROVAL UNDER BUILDING REGULATIONS. YOU ARE ADVISED TO CONTACT THE BUILDING REGULATIONS SECTION IF YOU WISH TO DISCUSS THIS FURTHER
