I am writing to you under the Freedom of Information Act 2000 to request the following information. Please may you provide me with:

1. Which enterprise resource planning (ERP) platforms you use (if any) in the execution of your duties.
    a. [ERP platforms such as SAP, Oracle, or Microsoft Dynamics 365, are software systems that collect data from multiple sources and create a single source of truth helping organisations manage their core business processes such as finance, HR, manufacturing, supply chain, sales, and procurement.]
2. What version of the Enterprise Resource Planning you are utilising. As an example, you may utilise SAP ECC 6 or Oracle Fusion Cloud.
3. Whether you are planning major projects such as an upgrade or a re-platforming of your ERP platforms in the next 24 months.
