Which licensing objective(s) does your representation relate to?	Detail the evidence supporting your representation, or the reason(s) for your representation (use additional sheets if necessary)
The prevention of crime and disorder We see quite a few anti-social behaviour incidents. This will only increase as there are already 4 licenced premises within 150 yards	Public safety People often sit on the benches drinking and arguing and fighting Police never come. Safety of children and elderly will be affected. Primary school and elderly care home is nearby

The prevention of public nuisance

At the moment alcohol is served in commercial areas. The licence will spread to the residential area.

The protection of children from harm

Children often gather outside the shops in the triangle area in August missing about causing damage.

Suggested conditions that could be added to assist the Licensing Authority in determining this application, or other suggestions you would like the Licensing Authority to take into account (use additional sheets if necessary)

licence should not be given but if in extreme cases it is - it should have time limits 9am - 6pm to protect the residents.

If the Licensing Authority considers that relevant representations have been raised, a mediation meeting between the relevant parties (if all agree) may be arranged to try to reach a settlement. If this informal process is unsuccessful a hearing before the Licensing Sub-Committee will be arranged unless all representations are withdrawn.

All representations in their entirety will be disclosed to the applicant for a premises licence or club
