

Further to your information request FOI/EIR 25/26-044, please find your question and our response below.

**Request:**

Under the Freedom of Information Act 2000, I request information on planning activities (e.g., applications, objections, appeals, enforcement notices, consultation responses, or related correspondence) held by your authority between 18 April 2020 and 19 April 2025. This request relates to the following:

- Charlotte Cane, Member of Parliament for Ely and East Cambridgeshire.
- Individuals sharing the surname Cane, particularly where involvement may reasonably relate to the MP.
- Spouses, partners, family members, or co-inhabitants ("co-inhabitants") at address(es) associated with Charlotte Cane, where planning activities may reflect household interests, even if the MP is not named directly.

I understand that the constituency of Ely and East Cambridgeshire spans multiple planning authorities and that Charlotte Cane may or may not reside within your specific area. Nevertheless, as your authority covers part of the constituency in which the individual may reside, I request any relevant records falling within your jurisdiction.

**Scope of Requested Information**

Please provide details of any planning activities involving:

- Direct Involvement: Records naming Charlotte Cane or reasonable derivations (for example e.g., "J. Smith", "Jon Smith", "Jonathan A. Smith", "J.A. Smith", "J Alexander Smith", "Jon A Smith").
- Address-Based Activity: Planning records linked to addresses associated with the MP, including where co-inhabitants are named (e.g., applications, objections, correspondence) and the MP is not explicitly mentioned.
- Surname-Based Records: If name or address searches yield limited results, include planning records involving the surname Cane, narrowed as needed to avoid excessive costs (e.g., filtering for derivations or known addresses).

For each relevant record, please provide:

- Applications / Appeals / Pre-applications: Reference number, date(s), property address, type of application, and where applicable, a note (e.g., "co-inhabitant at [address]") with redacted names as appropriate.
- Objections / Representations: Reference number, date, property address, summary of comments, and anonymised indicators of involvement by co-inhabitants.
- Enforcement Notices / Correspondence: Brief summary (e.g., nature of issue, date, role), noting co-inhabitant involvement where relevant.
- Consultation Responses: Summary, date, and anonymised indication of co-inhabitant participation.

**Response:**

Between 18 April 2020 and 19 April 2025:

- No planning applications, appeals or pre applications for properties associated directly with Charlotte Cane or derivations.
- Planning applications 25/00436/FUL and 25/00437/LBC for a secure MPs office currently pending consideration. All associated documents can be viewed on our Public Access service here [Simple Search](#)

- No enforcement notices.
- We received comments in response to a 2019 planning application for the 'construction of one and half storey detached dwelling with new access.' The comments were in opposition to the application, and its potential effect on archaeological deposits in the area. The comments came from Mr Cane, at the same home address as MP Charlotte Cane.
- Comments may have been received by Charlotte Cane during her time as a Ward Councillor for Bottisham. A list of all consultations sent during the period stated is attached and all applications are available to view here [Simple Search](#)
