

Further to your information request FOI/EIR 25/26-078, please find your question and our response below.

Request:

1. How many defibrillators are currently under the supervision of the council?
2. How many defibrillator guardians are there per AED? By guardian, I mean person responsible for the maintenance and upkeep of the defibrillator.
3. Are all of the defibrillators currently registered on the circuit?
4. How many times have each of the defibrillators owned by the council been used between 01.05.2024 and 01.05.2025
5. How much does the council spend on defibrillator maintenance per financial year?
6. How many out of the total defibrillators that the council owns are accessible 24/7?
7. In the last two months, how many AED's have been checked?

Response:

The Council has three portable defibrillators at three different council premises.

1. Three
2. The Facilities department are responsible for the upkeep of the defibrillators
3. No
4. Zero
5. The only cost so far has been a new battery at £216.70
6. Zero
7. The three defibrillators are checked monthly
