Last year the government wrote to all councils to ask them to carry out checks of all funeral homes in their area. I understand that it was largely environmental health teams who carried out this work. Please can you tell me:

- If the council has completed these checks
- Where any concerns about specific funeral homes were identified please provide a summary of the concern and the name of the business

Response:

This project was completed in June 2024, as requested by the Government.

- Yes
- No
