## Criminal convictions

---

The council is committed to the fair treatment of job applicants regardless of whether someone has a criminal record. Having a criminal record does not automatically prevent an individual from working for the council. The nature of the offence, the circumstances, the type of position being offered and the length of time since the offence took place should all be considered.

[The Rehabilitation of Offenders Act 1974 \(Exceptions\) Order 1975 \(as amended 2023\)](#) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected' and some are 'exempt'.

The level of the check required for this post is specified in the advert of the post you are applying for and will depend on the nature of the work.

Please check the advert for the level of DBS required for this post and fill in the appropriate form, available to download in the application pack.

I completed the Criminal Declaration form separately and enclosed it with my application.
