

East Cambridgeshire
District Council

Group 2 - Medical Examination Certificate

Patients name:	
Date of birth:	

Does the applicant have any other medical condition that you are aware of, that may affect safe driving?

Yes ☐ No ☐

At the time of the physical examination, and the completion of this medical form, I had possession of the individual's full medical records, or a contemporaneous summary of the individual's medical history.

Yes ☐

Please note

East Cambridgeshire District Council will not accept any medical conducted in the absence of the full or contemporaneous summary details of the individual's medical history. The D4 must be fully completed.

Doctor's declaration

Based upon the examination findings and the information given,

I am ☐

I am not ☐

aware of a medical condition that precludes the named individual from holding a Group 2 licence*.

I confirm that this certificate was completed by me at the physical examination, and that I am currently GMC registered and hold a licence to practise in the UK.

Name of doctor conducting examination:	
Signature:
