

Further to your information request FOI/EIR 25/26-154, please find your question and our response below.

Request:

I am writing under the Freedom of Information Act 2000 to request the following information regarding buildings within your local authority area:

1. The total number of buildings that currently have Aluminium Composite Material (ACM) cladding - the same type that significantly contributed to the Grenfell Tower fire.
2. Of these:
 - o How many are residential (e.g., flats or houses)?
 - o How many exceed 18 metres in height?
 - o How many have had funding approved for remediation?
 - o How many have begun or completed remediation (please specify stages).
3. If possible, please provide anonymised data or a list of affected buildings, categorised by building type and ownership (e.g., council-owned, housing association, private leasehold).

Response:

There are no council tower blocks over 18 meters high within the East Cambridgeshire district.

1. Zero
2. n/a
3. n/a

This concludes your request FOI/EIR 25/26-154.
