

Further to your information request FOI/EIR 25/26-278, please find your question and our response below.

Request:

1. Funding received

For each financial year since 2019/20, the total amount of funding your authority has received through EV infrastructure or charging schemes (if applicable), such as:

- On-Street Residential Chargepoint Scheme (ORCS)
- Local EV Infrastructure (LEVI) Fund – Capital and/or Capability funding
- Any other government or devolved nation funding scheme specifically for EV charging/infrastructure

2. Expenditure

For each financial year since 2019/20, how much from each source of funding has been spent by your authority, and on what (for example: chargepoints installed, staff, planning, etc).

3. Current/planned allocations

- Your authority's budget allocation (if any) for EV charging infrastructure in the current financial year.
- Whether your authority has been rejected by any EV charging infrastructure schemes/grants in the current financial year.
- Whether your authority has applied for, has plans to apply for, and/or has been allocated funding under the recently announced Electric Vehicle (EV) Pavement Channels Grant (2025–26)

4. Strategy

Whether your authority has a published EV infrastructure strategy or plan, and if so, please provide a link or copy.
