Dear Licensing Officer

I am writing to express my support for Doug Durrants application major variation to the license of 28 days.

I have lived in Lode for 26 years and during that time Dough has organised many events that have benefitted the village by providing free tickets to events, volunteering and paid employment for the villagers, whilst donating to local charities. During these events he has always considered the impact on the village and worked hard to ensure they do not negatively impact on village life.

I am currently working with Doug to bring back Lode Charity Half Marathon to raise money to revamp Castle Special Schools Hydrotherapy Pool. During this process I have found Doug to be approachable, iterative whilst always thinking about impact on the village.

If I can be of any further assistance please do not hesitate to contact me.

Yours Sincerely

Phillip Robinson.
