3. Procedure

1.	Any hearing required under the legislation is to take the form of a discussion led by the Council. Any person attending the hearing who in the opinion of the Members hearing the matter is behaving in a disruptive manner may be required to leave the hearing and may: • be refused permission to return; or • be permitted to return only on the conditions as may be specified by the Members and the hearing PROVIDED THAT such person may, before the end of the hearing, submit to the hearing in writing any information which they would have been entitled to give orally had they not been required to leave.
2.	If any party has failed to attend or be represented at the hearing, the Sub-Committee may: • where it considers it necessary and in the public interest, adjourn the hearing to a specified date(s); or • hold the hearing in that party's absence.
3.	Where a hearing is held in the absence of a party, any representations or notice made by that party shall be considered at the hearing.

4.	Where a hearing is adjourned to a specified date(s), all parties will be notified forthwith of the date(s), time and place to which the hearing has been adjourned.
