Request:

Q1. What type of maintenance management model does your organisation use? E.g. Managed supply-chain, single hard-fm & soft-fm contractor, internal workforce, principal contractor etc.

Q2. Can you provide a list of the approved contractors used?

Q3. What are the total values of contracts granted?

Q4. When do these contracts expire?

Q5. What services are provided in each contract?

Q6. What procurement method was used? E.g. Open ITT, Framework if so, which one?

Response:

East Cambridgeshire District Council is a small local authority, and as such only maintains a small number of council owned buildings. When building maintenance is required, this is procured through our procurement process, as detailed in our contract procedure rules.
