2. Information on the extent to which the current lighting controls are fully utilized and optimized for energy efficiency.
3. Data on energy consumption patterns related to lighting across different council facilities and public spaces.
4. Any evaluations or assessments conducted to gauge the performance and effectiveness of the existing lighting controls.
5. Insights into the challenges or limitations faced with the current lighting controls and any associated maintenance or operational costs.
6. Any plans or strategies your council has in place to improve and enhance lighting controls for better energy efficiency and user experience.
7. Recommendations or proposed improvements to the existing lighting controls, including the incorporation of innovative technologies or best practices.
8. Any initiatives or projects undertaken to promote sustainability through lighting control optimization.
9. Contact information for any relevant personnel or departments involved in managing lighting controls within the council.

Response:

In accordance with Section 16(1) of the FOI Act, the Council has a duty to provide advice and assistance to you, as far as it is reasonable to do so. We can advise that the Council does not respond to unsolicited requests regarding sales, procurement and commissioning.

Departments must follow a strict procedure as the council has a responsibility to spend public money to achieve the best possible value and outcomes for its citizens whilst maximising the wider social, economic and environmental benefits.

We can direct you to the Council's website pages for procurement opportunities, events and how to sell to the Council: <https://www.eastcambs.gov.uk/east-cambs-district-council/doing-business-council>

This concludes your request FOI/EIR 23/24-158.
