Further to your information request FOI/EIR 23/24-161, please find your question and our response below.

Request:

I am seeking information under the Freedom of Information Act 2000 regarding:

1. How many incidents of 'fly tipping' (Environmental Protection Act 1990) were reported to you in each of the years 2021-22 and 2022-23?
2. How much did it cost in each year to collect and dispose of fly-tipped material?
3. How many prosecutions (including fixed penalty notices) in respect of 'fly tipping' (Environmental Protection Act 1990) were undertaken by you or on your behalf in each of the years 2021-22 and 2022-23?

Response:

1.
2021/22 – 739
2022/23 - 535

These numbers constitute the number of actual fly tips. The reported number does not adjust for multiple reports of the same tip or mis reported matters that were not fly tips, fly tips that were reported to this district that occurred in a different jurisdiction for example.

2. Fly Tipping is dealt with both Environmental Services and the Waste department. The costs for dealing and clearing fly tips are not separated from other services within these departments. We therefore do not hold this information.

3.
2021
 - Householder duty of care 4
 - Fly tipping 6
 - Waste documents business (carrier licence/waste transfer) 4
 - Prosecutions 02022
 - Householder duty of care 10
 - Fly tipping 3
 - Waste documents business (carrier licence/waste transfer) 2
 - Prosecutions 0

This concludes your request FOI/EIR 23/24-161.
