Further to your information request FOI/EIR 23/24-177, please find your question and our response below.

Request:

- Have you approved installation of EV (electrical vehicle) charge points for any grade 2 listed buildings and if so, how many in the last five years?
- Did you require any of those approved to submit a listed building consent application, again if so, how many of them?
- Of those approved EV charge points for grade 2 listed buildings was a planning application required, if so, how many?
- Of those approved did you stipulate the kind of EV charger, size, made, model etc and if so, what were those stipulations.
- How many EV charge points have you **not** approved, in the last five years, for grade 2 listed buildings?

Response:

East Cambridgeshire District Council does not require permission for EV charge points in grade 2 listed buildings, therefore our response is zero.

This concludes your request FOI/EIR 23/24-177.
