Further to your information request FOI/EIR 23/24-334, please find your question and our response below.

## Request:

- How do you currently manage your energy portfolio
- What your portfolio consists of – number of electricity, gas and water meters and if known, the annual consumption
- Current contracts in place, e.g., suppliers, brokers, and length of contract
- Do they currently procure their energy direct or via a broker
- Do you have an energy manager/service team – if not who would need to be the authorising signatory and their contact details?
- Are current bills sent electronic e.g., EDI
- Current payment terms – BACS/DD – Days to pay, etc
- Do you have an energy management software
- Do you require/complete net carbon reporting
- Do you outsource any other energy services e.g., EPCs/DECs
- Do you have any requirements for carbon reduction?
- Do you have any requirement or plans for solar panel installs – if yes have you considered Power Purchase Agreements?
- Do you require any additional services – online portals, etc?

## Response:

- Managed via central procurement as part of ESPO framework agreement.
- Electricity – 18 meters, annual consumption 2022/23 = 345769 kwh  
Gas – 3 meters, annual consumption 2022/23 = 338447 kwh  
Water – 14 meters, annual consumption 2022/23 = 15474 m<sup>3</sup>
- Suppliers are: Total Energies, ESPO & Wave
- See above.
- N/a – we do not have an energy manager / service team.
- Either emailed or downloaded from an account portal
- BACS: Electricity is 1 month to pay, Gas and Water are 14 days
