Further to your information request FOI/EIR 23/24-357, please find your question and our response below.

Request:

This request relates to uses of the call-in mechanism that forms part of the overview and scrutiny committee system.

If your authority has an overview and scrutiny system please answer the following:

For the past ten years, please confirm how many decisions taken by the council's cabinet/executive were available for call-in.

Please provide a table showing a breakdown of the following for each year since 2013.

For each year please state how many call-ins there were.

For each call-in please show which committee called them in, what the response was, the topic and provide a link to the relevant committee where the call was discussed.

Response:

We are a Committee System and have chosen not to have Overview & Scrutiny Committees, so do not have that type of call-in mechanism. We do have a form of call-in, as shown in section 26 of Council Procedure Rules:
