

Further to your information request FOI/EIR 24/25-102, please find your question and our response below.

Request:

1. How many public charging outlets or chargepoints for electric or plug-in hybrid vehicles have you installed to date in your local authority? Please provide figures to the nearest possible date and include the month and the year the figures correspond to.
2. For Question 1, how many of the public charging outlets or chargepoints are those classed as On-Street Residential Chargepoints, located on-street in residential streets or areas?
3. How many public charging outlets or chargepoints for electric or plug-in hybrid vehicles do you plan to install in the current fiscal year or the current calendar year? Please provide figures to whichever timeframe corresponds with your reporting.
4. For Question 3, how many of the planned public charging outlets or chargepoints are classed as On-Street Residential Chargepoints, to be installed in on-street residential areas?
5. Do you have a published strategy for On-Street Residential charging infrastructure?
6. Do you have a dedicated Policy Officer (or equivalent) responsible for your electric vehicle charging infrastructure?
7. Have you applied for the Local Electric Vehicle Infrastructure (LEVI) Fund yet? If yes, have you been successful?

Response:

Please note that these responses are in relation to Electric Vehicle Charging points installed and maintained by East Cambridgeshire District Council, in Council owned car parks only. We do not install or maintain any EVCs on-street. We do not hold information on EVCs installed by third parties.

1. 26 EVCs have been installed by East Cambridgeshire District Council. 2 x EVCs installed in August 2018. 12 x dual EVCs installed in March 2023.
