

Further to your information request FOI/EIR 24/25-158, please find your question and our response below.

Request:

Can you please supply data around the following Freedom of Information request:

- How many motorcycle parking spaces there are in the district
- Specify how many are private and how many are public
- That data drilled down further by location (ideally by village, town or city)
- What the rules/charges are for motorcycles in the above areas

If you hold the data, specifying what spaces belong to supermarket/leisure centres would be great too.

Response:

East Cambridgeshire District Council is responsible for council owned car parks only. We do not hold information on private car parks / land, nor supermarkets. Please see:

[Open Data: Parking | East Cambridgeshire District Council \(eastcambs.gov.uk\)](https://www.eastcambs.gov.uk/open-data/parking)

- 9 (in Council owned car parks)
- 9 x Public
- 9 x Ely
- The motorcycle bays are situated within Council owned car parks. These car parks are free to use but have time restrictions. The rules are therefore that the motorcyclists adhere to the time restrictions within those car parks.

This concludes your request FOI/EIR 24/25-158.
