**Request:**

In terms of the Freedom of Information Act of 2000, and subject to section 40(2) on personal data, could you please provide me with your local authority's complete and most-recently updated list of all business (non-residential) property rates data, including the following fields:

- Billing Authority Property Reference Code (linking the property to the public VOA database reference)
- Firm's Trading Name (i.e. property occupant or ratepayer)

- Occupation / Vacancy status
- Date of Occupation / Vacancy
- Reliefs and / or exemption categories (classifications) granted or applied
- Date that reliefs and / or exemption categories granted or applied
- Value of reliefs and / or exemption categories granted or applied (in Pounds)
- Actual annual rates charged (in Pounds)

If you are unable to provide an absolute "Occupation / Vacancy" status, please provide the balance of the information requested.

Please could you also provide a list of definitions for the codes for the Exemptions and / or Reliefs you use.

**Response:**

This information is exempt from disclosure under Section 31 of the Freedom of Information Act 2000. In respect of those requests that are answered in full, partially or the total refused, please take this as notice under FOIA, that we:

- a) Consider the information as exempt from disclosure under the Act.
- b) Claim exempt under sections of the Act:

**Section 31(1)(a) – Law Enforcement**

- c) State why the exemption applies:

***31(1) Information which is not exempt information by virtue of section 30 is exempt information if its disclosure under this Act would, or would be likely to, prejudice - (a) the prevention or detection of crime.***

Section 31(1)(a) provides an exemption where prejudice could be caused to allow potential fraudsters to use the information to identify business entities or individuals which were entitled to claim credits on their accounts. Once such a business or individual had been identified, there would be a number of avenues open to the fraudsters to seek to obtain funds. Disclosure of this information would result in the need to implement disproportionate steps and additional expense to the public purse to counter an increased fraud risk that does not exist at present and this information will therefore not be released.

This concludes your request FOI/EIR 24/25-159.

If information has been refused, please treat this as a Refusal Notice for the purposes of the Act.
