

I would like information about your council's homes and MEES enforcements in relation to climate action for the Council Climate Action Scorecards. This information may be held by a housing department or similar. In particular, please supply me with information relating to the following questions:

1. What is the energy efficiency rating of the council's homes (managed or owned by the council)?

Please provide either a distribution table with the number of council homes for each EPC rating or the percentage of the council's homes that have received an EPC rating of C or above.

2. What is the number of investigations, enforcement notices and enforcement actions that the council conducted, related to MEES (Minimum Energy Efficiency Standards) in the 2023/24 financial year? Please provide a breakdown of the number of investigations and enforcements separately. If only some information is available, please provide this information.
